DENTAL DISCOUNT PLAN

Dental Discount Plan (DDP) is a discount program for families and individuals that allows members to receive quality dental services at reduced prices. Unlike conventional insurance plans, with DDP there are **no deductibles, no yearly maximums, and no waiting periods to begin treatment**. Discount benefits begins immediately upon registration.

Please be advised, registration is predicated upon having no outstanding account balance and no dental coverage with our office, NO EXCEPTIONS.

We are introducing this plan for those without dental insurance to ensure access and affordability. This is an annual reduced fee dental plan that allows individuals and families to receive quality dental care from the providers of this office, for a percentage of the office's standard fees. Dental insurance is increasingly confusing, unpredictable, and restrictive not only for you as the consumer, but for us as the provider. This is not an insurance plan, no claims are filed, and no payments are made to any other healthcare providers. We are not a licensed insurer, health maintenance organization or other underwriter for health services. This plan may not be combined with any other offers, discounts, insurance, or advertisements.
